of the Eastern English Springer Spaniel Club

A Note from the President....

Happy April everyone! So far in just a few days we have had areas with snow and an earthquake! I hope everyone is safe and warm!

I wish to announce the sad news of club member Lori DiLorenzo. Lori was a friend to many and an active member of ESSFTA. We will miss her!

Please check out the premium list on INFODOG for our EESSC June Specialty. There is info on reserving power, welcome party RSVPs and host hotel specifics.

Please make your hotel reservations as soon as possible as our dedicated rooms are running out.

I have just received confirmation that NEESSR Inc will be holding a silent auction during our welcome party dinner, and they will have a small sale booth during our show!

I look forward to seeing many of you here in RI at our Specialty in June!

Pet Disaster Relief Sponsors

Hello,

This is Animal Control Officer Rondinello with Thomas J. O'Connor Animal Control and Adoption Center in Springfield, Massachusetts. I am our liaison for all Animal Disaster Planning in our jurisdiction. I also assist in our local Emergency Operations Center, I am on our Community Emergency Response Team, and thanks to you all as our sponsors, our American Kennel Club Pet Disaster Relief Trailer is utilized with our Disaster Animal Response Team.

I am reaching out to you because your Kennel Club is a sponsor for our Pet Disaster Relief Trailer and we would like to invite you to our facility on May 8th, 2024 for an event spreading awareness and education about National Animal Disaster Preparedness Day.

We have a tentative schedule for the event to be from 4-6PM at our facility at 627 Cottage St., Springfield, MA, 01104. Our trailer will be open for viewing, we will be offering free microchips to the first 100 guests, while also scanning and ensuring registration for already chipped pets, and we will be offering dog licenses to our residents at the time as well.

It is hopeful we will also be able to have our adoption center open to the public during the time and open our community room to you as our sponsors to set up a table for yourselves. We ask that you bring something about your own "disaster plan" to share with the public (do not worry if you do not have one, we can assist!) and you can share information about your Kennel Club as well. There are limited tables and chairs we can offer as a set up area for your club, so if needed we ask that you let us know in advance so we can plan ahead with the arrangements. There is a projector that will also be showing our Disaster Trailer PowerPoints, but if

a symmetrical. compact. strong. upstanding. merry & active dog *March 2024*

you all have a group club photo you would like us to share as our sponsor, we can try to include that as long as it is also emailed to me in advance. 😊

We look forward to collaborating with you all in hopes to spread more awareness about having a disaster plan in place for ALL pets!

When finer details are set in stone, I will reach back out with finalized plans and notify who all will be present.

Thank you so much for you time and thank you to our trailers sponsors!

EESSC Futurity -- A Short Course

EESSC Futurity – An Old Tradition

Eastern's Futurity is one of the few – if not the only Futurity held for Springers. It is an old tradition going back to the 1940's. The Futurity was created to showcase a breeder's pride in his/her breeding program. Names of the winner's are printed in the Specialty Show Catalog each year (which is not done for Sweeps).

The Futurity year runs from December 1 to November 30 each year. Litters whelped within that time frame are eligible to enter. Bitches are nominated before whelp for a \$10 fee, or after whelp within 60 days for a \$15 fee. Nomination forms are readily available from the Futurity Chair, printed in the Newsletter and the online club site. Puppies can be enrolled in the Futurity when they reach six months of age. Forms are sent to the breeder at that time and the breeder has 30 days to return the forms with a \$5 fee for each puppy enrolled. If the breeder misses enrolling a puppy that they want to participate they are allowed to make an enrollment of \$50 per puppy up to May 1. Puppies that have been enrolled are then able to be entered in the EESSC Specialty in June – on the entry form is indicated in Futurity class. The puppy must be entered in Regular Classes as well. Nominations are not accepted on the telephone, fax or email. Nominations may be done online through the club website or by US mail.
